**InterSearch Worldwide, a leading global executive search organization operating in more than 50 countries, has announced that its member firm in China has been recognized with two honors at the inaugural *Recruitment International Asia Awards*, held recently in Shanghai.**

[ZW HR Consulting \(/locations/china\)](/locations/china) – market leaders in mid-senior level recruitment – was awarded “Life Sciences Recruitment Company of the Year” and “The best Recruitment Firm Service in China - Finalists Award” at the first RI Asia Awards-China 2015. The awards recognized ZW HR Consulting’s contribution to the healthcare and recruitment industries in China.

Established in China in 1998, ZW HR Consulting is known for their successful recruitment in such industries and functions as life sciences, IT & technology, engineering, chemical & energy, manufacturing, real estate, banking & finance, consumer goods, and other corporate functions.

We are extremely delighted to have won such prestigious awards and industry recognition. We would like to thank our clients and candidates for their support. We feel this award is a testament to the services we provide for all our clients – to place high-calibre candidates within reputable businesses throughout China and APAC regions.

With our specialized recruitment capabilities and extensive professional network, we look forward to continuing to support our clients in finding the right talent. We want to make sure the talent we place becomes an integral part of our clients’ current business opportunities and growth strategies.

Our aim is to build long term partnerships with our clients and candidates whilst promoting the image of professional recruitment. We believe the key to great customer service is speed of response, good communication, adding extra value, honesty and honoring our commitments. Going forward, we are honored to have been selected and look forward to many more years of being top recruitment professionals.
